J. Stannard Baker Award for Traffic Safety

Award Information

The National Sheriffs' Association is seeking nominations for the *J. Stannard Baker Award*. This award recognizes a sheriff or deputy sheriff who has made outstanding contributions to traffic safety.

- PURPOSE:** To establish a prestigious national award to recognize and employee(s) who has made significant contributions or accomplishments directly related to highway safety.
- SPONSORSHIP:** The United States Department of Transportation - National Highway Traffic Safety Administration (NHTSA), and the Traffic Institute of Northwestern University, and the National Sheriffs' Association.
- AWARDS PANEL:** The annual award will be managed by the National Sheriffs' Association. The selection panel will be comprised of members of the National Sheriffs' Association - Traffic Safety Committee.
- CATEGORIES:** An award will be given to an employee from any city/county Office of the Sheriff or any civilian within the nominating agencies jurisdiction.
- CRITERIA:**
- A. Development of Unique Law Enforcement/Community Traffic Safety Programs.

This is to recognize an employee (officer, deputy sheriff) from an Office of the Sheriff who have shown unusual initiative and imagination in developing and promulgating traffic safety programs. A Heroic or Meritorious service act involving a traffic safety function is acceptable within the category.
 - B. Special Award to Governmental or Private Individuals

The award panel may grant a special award to any individual judged who has made an outstanding contribution to highway safety.
- QUALIFICATIONS:** Candidates for the National Sheriffs' Association - *J. Stannard Baker Award for Highway Safety* must be a full-time paid officer, deputy sheriff from a city/county Office of the Sheriff.
- The employer or civilian being nominated must have contributed to the highway safety program in their governmental agency. Long years of service are a consideration but not the determining factor. Equally, short services is to be considered. However, the quality of the service or program is the essential factor.
- To receive this ward, the individual must first be nominated by a law enforcement agency, traffic safety group or official, and second, must be a full-time paid employee of a city/county Office of the Sheriff.
- An individual from either the public or private sector, who has also made a significant contribution to highway safety would also be eligible for this award. This special award is designed to recognize the individual efforts of government employees, such as traffic engineers, educators, judges, prosecutors, motor vehicle examiners, etc., who have also made outstanding contributions to highway safety programs and issues.
