

# NATIONAL SHERIFFS' ASSOCIATION

March 19, 2026

The Honorable Mike Johnson  
The Speaker  
U.S. House of Representatives  
Washington D.C. 2015

Dear Speaker Johnson:

On behalf of the National Sheriffs' Association (NSA), representing 3,081 sheriffs nationwide, we write to express our support for the clean reauthorization of the Foreign Intelligence Surveillance Act under the Reforming Intelligence and Securing America Act of 2024. Reauthorization of Section 702 is critical to our national security and remains an essential tool for law enforcement in protecting the American people.

This authority provides key security protections and enables timely intelligence sharing that is vital to preventing threats. We strongly support renewal of these important provisions without adding unnecessary bureaucracy that could hinder law enforcement's ability to act swiftly and effectively.

Mr. Speaker, we stand ready to assist in this effort and are happy to provide any additional information or support as needed.

Sincerely,
